

SAINT PETERSBURG MEDICO-SOCIAL INSTITUTE

Saint-Petersburg Medico-Social Institute provides education for medical students and postgraduate courses for people who works in medicine and social areas. There is only one institute in Russia, which has Occupational Therapy (Ergotherapy) program. World Federation of Occupational Therapists approves this program. The institute has a rich experience in collaboration within medical and social rehabilitation (in Russia and Tajikistan). Institute has about 500 diploma students, more than 500 postgraduate students every year and about 100 lecturers.
