

## Overview

Ireland is a great destination in which to study a postgraduate degree. Many Irish universities are highly ranked at world level, and with its European setting and English language, Ireland is a popular destination for international students. The majority of institutions in Ireland are focused around three green and lively cities: Cork, Galway, and Dublin. Wherever you choose, you're guaranteed quality education and good social opportunities.

## Advantages

There are a variety of reasons to head abroad to a foreign country to study for an undergraduate or postgraduate degree. It is a highly advantageous experience that will boost your employability, develop you as a person and help you gain a high standard of education. Here are just some of the many reasons you should study abroad in Ireland:

- High-quality education
- Career opportunities
- Post-study work visa opportunities
- Discover Irish culture
- Career advantages
- A mix of city life and nature
- Perfect travel location
- International students
- Find new interests and make new friends
- Safety
- Personal development
