

Overview

Italy is a center of world class education, and universities in Italy include some of the oldest and most respected in the world. The word 'university' has its origins in Italy and the University of Bologna is believed to be the world's oldest.

Studying abroad in Italy is an opportunity to experience it all. From volcanoes to ice cream, espresso to the Coliseum, Italy has something for everyone.

Advantages

Have you ever thought about studying in a country where you can have almost everything just around the corner such as skiing, beaches, and maybe the most amazing historical sites and art creations in Europe?

Did you often think you'd like to go further with your language skills and not just talk in English with everyone? Just going to a place where you would have to learn to speak the local language? Well then, you should look for a study option in Italy!

- Plenty of top universities with an impressive international environment
- Italy is an affordable destination for international students
- High in cost-effectiveness
- Safe and welcoming environment easy ways to travel the country
- A country full of wonders
- So many English-taught degrees you won't know what to choose
- The ridiculous graduation ritual surrounded by arts, architecture and fashion
